Subject: FW: Follow up from Glencore Meeting

Looking at our outlook calendars, it looks like July 16th, 11-12 might be the best option. Any opposition to that?

I hope to get back to Jenny by the end of the day today.

Thanks,
Rob

Rob —

Yes, it would be a good idea to have a quick follow up call. Denise is on leave this week, but here are some days and time that work for most of us.

Wednesday, July 16 – 11:00 -12:00

Wednesday, July 16 – 1:30-2:30

Thursday, July 17 – 1:30-4:00 open

Hi Jenny,

We think it would be a good idea to have a quick follow up phone call to discuss in more detail the anticipated schedule for completing the next steps identified in the meeting in order to keep the momentum moving forward. Could you let me know what times work better than others in the next few days?

Thanks,
Rob
